Power outages

Outage Map: If your power goes out, you can find or report this information on our outage map. It also shows the areas that are shut off or under consideration for PSPS.

Community Resource: If you need additional support during an outage, please call 2-1-1 for assistance.

Outage Safety Tips: Review our safety tips for what to do during an extended power outage.

Downed Power Lines: If you encounter a downed power line, stay far away and call 9-1-1 immediately. Then, report it to **SCE's emergency line at 1-800-611-1911.**

Water access and conservation

The BOIL WATER notice issued on Wednesday is ONLY for those in zip code 90272 however please limit use of water such a showers, watering plants running washing machines etc at this time as county water resources are running low - thank you!

Be prepared

Please do your best to ensure that you and your family are prepared for the worst: Gather food, water, and medicine in advance because stores and pharmacies might be closed.

Organize your supplies into a Go-Kit and a Stay-at-Home Kit.

- Go-Kit: 3 days of supplies that you can easily carry with you.
- Stay-at-Home Kit: 2 weeks of supplies if you need to stay at home.
- Have a 1-month supply of medication in a child-proof container.
- Keep personal, financial, and medical records safe.
